

Recycling unsealed roads to reduce dust & maintenance using insitu stabilisation

Site directions for Old Corowa Road, Jerilderie (NSW)

The following site directions are for those travelling from the town of Jerilderie. The site is approximately 15 kms east of Jerilderie and it takes about 10 minutes to drive to the site. This trial is within the Shire of Jerilderie, South West NSW.

Travel east 1.4 km after the post office on the main street (Newell Highway) of Jerilderie town and turn right on Jerilderie Road. Maintain 12.5 kms on the sealed road and then turn right into Old Corowa Road. The trial starts 0.8 km from the intersection or just past Wunamurra Road intersection. The GPS coordinates of the start of the trial are 34.42886, 145.84096 (WGS84).
