## About AustStab

AustStab, the Australian Pavement Recycling and Stabilisation Association, has an industry history of 30 years and has been committed to promoting sustainable and innovative approaches to road and pavement infrastructure. Through research, training and advocacy, AustStab advances industry standards and strengthens Australia's road network, supporting the shift toward more resilient and eco-friendly practices.

## Event Overview

The AustStab 2025 Conference will take place in Adelaide from **August 11th-13th**, centred around the theme: "**Recycling the Road Ahead: Resilient, Sustainable, Cost-Effective.**" This annual event unites leaders, innovators and practitioners from across the pavement recycling and stabilisation industry, creating a platform to explore sustainable practices, resilient infrastructure solutions and cost-effective techniques in road construction, rehabilitation and maintenance.

Being associated with AustStab can enhance your credibility in the eyes of the industry and other stakeholders, by demonstrating your commitment to the pavement recycling, rehabilitation and stabilisation sector.

## Why Sponsor AustStab 2025?

**By sponsoring AustStab's 2025 Conference, your organisation will:**

- **Gain Exposure:** Showcase your brand to an audience of industry leaders, policy-makers and decision-makers.
- **Build Relationships:** Network with key players in pavement recycling, infrastructure and sustainability sectors.
- **Align with Sustainability:** Position your brand as a leader in sustainable infrastructure, sharing a commitment to resilient and environmentally friendly road construction.
- **Engage in Industry Innovation:** Participate in discussions on the latest trends, best practices and future challenges in the industry.
